

# Quality and Reliability Are Everything!

## *That's Why Your Laser Printer Deserves RESOLUTION Toner Cartridges.*

Consider how much you spend annually on laser printer toner cartridges. Using our premium-quality *Resolution* toner cartridges could cut those costs by up to 30%. And you won't have to sacrifice print quality to get those savings!

Our OEM-compatible *Resolution* cartridges meet all manufacturer specifications for use in your printers. In fact, they meet or exceed life-expectancy for OEM products. We're so confident of the reliability of *Resolution* cartridges, that we back them with the best guarantee in the business—our 100% "No Questions Asked" Guarantee!

The first time you use a *Resolution* toner cartridge, you'll be amazed at the high-quality output it produces. You'll find that *Resolution* produces crisp text and rich graphics—*every print!* Whether your laser printers are brand-new or 10 year's old, *Resolution* toner cartridges will give you the best results money can buy.

The only thing that matters to us is your satisfaction. We combine the highest-quality product line with friendly, knowledgeable customer service. Responding to your printing needs quickly and efficiently is our number-one priority. Whether your laser printer needs are large or small, we're your one-stop shop for great prints and service. It's a commitment we keep for all of our customers!

"Now that we've switched to *Resolution* cartridges, we'll never purchase another brand. The quality of *Resolution* is terrific, but it's the personal service that makes the biggest difference."

*Elizabeth Platkin  
Fairlane Consulting*

"*Resolution* toner cartridges are an outstanding value. We use them in all of our printers and get nothing but great-looking prints while saving money. I would recommend *Resolution* to anyone."

*George Doyle  
Keifer, Doyle & Associates*

"We love *Resolution* toner cartridges. We now use them for our LaserJet 4 and 5Si printers. And while we've tried alternatives in the past, nothing worked as consistently as *Resolution*. Keep up the great work!"
