

SELL US YOUR EMPTY CARTRIDGES!

You Can Make Money Helping Children And Their Families.

Are you still throwing away printer cartridges? If you are, you're wasting a valuable resource. You could be selling them to us!

Join our "Cystic Fibrosis Foundation" Cartridge Collection Program and we'll buy your empty toner, ink, and fax cartridges. For every cartridge you sell us, we'll contribute up to \$1 to the Cystic Fibrosis Foundation USA. Donations will be made on your behalf to this very worthy organization. Cystic Fibrosis is the number one genetic killer of young adults and children. Research will find a cure for this disease with your help. Be a part of this cure. Please commit to this program.

We can't think of a reason why you wouldn't sell us your empty cartridges. You benefit, we benefit, and so do the children!

Joining our collection program is as simple as a quick phone call or fax. Tell us what types of cartridges you use, and about how many you go through a month. Place your empty cartridges in a designated location, and we'll pick them up at your site on a scheduled basis, paying you for them at market rates.

*Recycling Your Cartridges
Couldn't Be Easier!*
